*With God's help, I will **FOSTER** professional competency through life-long learning ... striving for high ideals, teamwork, and unity within the profession in order to provide optimal patient care.*

*With God's help, I will **SUPPORT** my colleagues by actively encouraging personal commitment to the Code of Ethics for Pharmacists as set forth by the profession.*

*With God's help, I will **DEDICATE** my life and practice to excellence, demonstrating a willingness to regularly assess both my personal and professional values.*

*And, with God's help, I will **MAINTAIN** the highest ideals and professional attributes to ensure and facilitate the covenantal relationship required of the pharmaceutical caregiver.*

*Adapted from Pledge of Professionalism developed by the American Pharmaceutical Association Academy of Students of Pharmacy/American Association of Colleges of Pharmacy Council of Deans (APhA-ASP/AACP-COD) Task Force on Professionalism; June 26, 1994*
